Refrain: There are 4 levels of happiness.
4 levels of happiness.
1234, 4, 4, 4. Yes, 4 levels of happiness.

The first level of happiness
is the good feeling that comes
When I taste something yummy or I get a new toy.
That's the first level of happiness.

Refrain

The second level of happiness
is feeling proud of myself
When I'm smarter or faster or better than you.
That's the second level of happiness.

Refrain

The third level of happiness
is knowing deep in my heart
That I've done something good for someone else.
That's the third level of happiness.

Refrain

The fourth level of happiness
is the peace the world cannot give
Cause it comes from God who is Mercy and Love
That's the fourth level of happiness.
